THE GOAL BEHIND THE GOLF.....

This outing will bring together a variety of people from the community for the purpose of supporting the Soldiers and the families that make daily sacrifices for your community, state and country. All money earned from this outing will directly benefit the units within our Battalion.

Your participation is greatly appreciated, and we in the South Bend National Guard unit are dedicated in ensuring that this will be one of the most enjoyable golf outings that you attend. We know that the community stands behind its men and women in the military, and we look forward to showing our appreciation, by providing all of you with a fun filled, gratifying day at the course.

We can't wait to see you there.....
(Besides, we are probably going to need a lot of help in finding our ball.....)

Proceeds will go to the Adjutant Fund and will directly benefit units within our Battalion.
